

Supply, Compliance, and Commercial FAQ

Short answers to common buyer questions before issuing an RFQ or purchase order.

FAQ

- What should buyers verify first? Product specification, monthly volume, destination port, boiler tolerance, certification requirements, and payment method.
- Does FuelCore own inventory? FuelCore acts as a strategic sourcing and coordination partner unless a separate principal model is agreed.
- What reduces execution risk? Confirmed CoA workflow, inspection milestone, shipment documentation, and payment protection.
